

CHECK APPLICATION STATUS

Check Application Status

- The Initial Application for Licensure by Examination will be held active for one year or until a candidate tests and is issued results, whichever comes first.

Nurse Gateway

- To check the status of your application, login to your Nurse Gateway and then click on the blue tile which indicates your pending application under the 'Licenses/Approval to Practice/Certifications' tab.
- Click on the 'Application Status' tab.

Status

- This status check will identify the receipt of documents provided by candidates.
- Please allow 5 business days for processing.

NCSBN Quick Results Service

- NCBON is unable to release NCLEX examination results by telephone. NCBON participates in NCSBN Quick Results Services, where unofficial NCLEX results are available 2 business days following the exam.
- Candidate will pay a required fee to Pearson VUE.

Verify a License

- The Board does not provide exam results by phone; however, you may verify licensure by visiting <http://www.ncbon.com/dcp/i/verify-license-verify-a-license>
- Licensure will post to the verification system within 5 business days of providing all required documents.
