

# **North Carolina Board of Nursing Employer Notification System (ENS)**

## **Terms of Use Agreement**

### **Subscriber Eligibility:**

For purposes of ENS, a subscriber is defined as a single physical location. Health care systems and organizations with multiple satellite offices and facilities must enroll each physical location individually.

### **Description of Service:**

The North Carolina Board of Nursing Employer Notification System (ENS) is an official service of the North Carolina Board of Nursing (NCBON). ENS is an annual subscription service providing license/listing verification and notifications for the following:

- Permanent and Temporary RN/LPN
- NA II
- Nurse Practitioner, CRNA, Midwife, CNS (APRN)
- RN/LPN working in NC on another compact state license

### **Primary Source for License and Listing Verification:**

ENS is considered a primary source for Board data and is true and complete to the best of our knowledge.

### **Security:**

The North Carolina Board of Nursing Employer Notification System directly accesses licensure and listing information from the Board databases hosted and maintained by the North Carolina Board of Nursing and is protected from alteration by unauthorized individuals through encryption technology and multiple firewall, hardware and software security layers.

### **Appropriate Use:**

The information provided by ENS to the subscribing entity and its authorized users is intended solely for the use by the subscribing entity and its authorized users for the purpose of license/listing verification. NCBON prohibits the use of this information for any other purpose. Under no circumstances should this information be extracted, duplicated or disseminated in whole or in part for any other purpose except as specifically agreed to in writing by the subscribing entity and the North Carolina Board of Nursing.

### **Notice – Disclaimer of Representations and Warranties:**

I understand that by using this service, I am waiving any and all rights I may have against this Board and any of its officers, members, or employees arising out of use of and/or reliance on this information.
