Legend: Approval Status

Initial Approval

Consistent with 21 NCAC 36. 0120(25), the status assigned to a newly-established nursing education program following submission of a complete application and documented evidence of compliance with Section .0300 of this Chapter. This status is granted to a nursing education program that allows the admission and matriculation of students. The status of Initial Approval will extend through the time necessary for full implementation of the curriculum, provided that the program complies with Section .0300 of the education rules.

Full Approval

The status assigned to a program following completion of a satisfactory on-site survey visit during the final term of curriculum implementation of the program and affirmation the nursing education program has maintained compliance with Section .0300 of the education rules while granted Initial Approval status.

Approval with Warning

The status assigned to a nursing education program when the program is found noncompliant with any provision stated in Section .0300 of the education rules. The nursing education program is notified of the areas of noncompliance, the date by which the program must comply with the education rules and the opportunity to schedule a hearing.

National Accreditation
