POSITION STATEMENT
for RN and LPN Practice

A Position Statement is not a regulation of the NC Board of Nursing and does not carry the force and effect of law and rules. A Position Statement is not an interpretation, clarification, or other delineation of the scope of practice of the Board. A Position Statement is adopted by the Board as a means of providing direction to licensees who seek to engage in safe nursing practice. Board Position Statements address issues of concern to the Board relevant to protection of the public and are reviewed regularly for relevance and accuracy to current practice, the Nursing Practice Act, and Board Administrative Code Rules.

ISSUE

The North Carolina Board of Nursing (BON) approves prelicensure nursing education programs as part of its mission of public protection. The use of distance education technology in nursing education programs located within and outside of NC has proliferated.
